

Rottweiler 26 Adult

18 months > Adult & Mature

Cardiac Tone

Helps support this athletic dog's cardiac functions through nutrients such as EPA & DHA, and taurine to encourage good heart contraction, L-Carnitine for the cells' energy supply, and Vitamins E & C to help maintain vitality.

Muscle dynamism
Increased protein content, the essential component of the muscles, and increased L-carnitine.

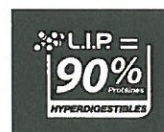

Joint support
Increased chondroitin & glucosamine content and increased EPA & DHA to help maintain mobility.

Special molossoïd jaw
Kibble exclusively adapted to the Rottweiler's jaw, to encourage him to chew.

Ingredients: rice, vegetable L.I.P. protein isolate*, dehydrated poultry meat, animal fats, maize, vegetable oils (soya and copra), hydrolysed animal proteins, minerals, vegetable fibres, beet pulp, fish oil, tomato (source of lycopene), sodium polyphosphate, potassium citrate, yeast extract (source of mann-oligosaccharides), taurine, L-lysine, hydrolysed crustaceans (source of glucosamine), L-carnitine, green tea and grape extracts (source of polyphenols), marigold extract (source of lutein), hydrolysed cartilage (source of chondroitin).

*L.I.P. (Low Indigestible Protein): protein selected for its very high assimilation.

- ▶ High quality protein
- ▶ Digestive security
- ▶ Stool quality

Nutritional Programme

Recommended daily requirements (in g)

Needs	Adult weight (in kg)															
	38		40		42		46		50		52		56		60
